Ashland Drum Site Administrative Record Available for the Ashland Drum Removal Site

The U.S. Environmental Protection Agency (EPA) announces that the Administrative Record for the removal action at the Ashland Drum Site located in Ashland, Massachusetts will be available for review after August 24, 1989. The EPA encourages the public to review and comment on the Administrative Record.

The Administrative Record includes documents which formed the basis for the selection of the removal action at the site. Some of the documents in the Administrative Record include: site description, site background information, and a health assessment.

The Administrative Record will be available for review during business hours at:

- U.S. EPA: New England Regional Laboratory, 60 Westview Street, Lexington, Massachusetts, 02173, (607) 860-4309.
- Ashland Public Library, 66 Front Street, Ashland, Massachusetts, 02170, (508) 881-2490.

Written comments on the Administrative Record should be sent by September 24, 1989 to: Administrative Records Coordinator, U.S. EPA New England Regional Laboratory, 60 Westview Street, Lexington, Massachusetts, 02173.

ID #41060 (8/18/89)
